- No Summer 2013 coursework to meet admissions eligibility
- Freshman/Transfer final transcripts – July 8, 2013

President's Update

Dr. Eduardo Ochoa
Interim President

CALIFORNIA STATE UNIVERSITY
Monterey Bay

CSIT degree in 3

Dr. Sathya Narayanan

Assistant Professor

Computer Science and Information Technology

CALIFORNIA STATE UNIVERSITY
Monterey Bay

CSIT-In-3

A bachelor's degree in computer
science and information technology
in 3 years

Earning a Bachelor's Degree

Traditional 4-year degree

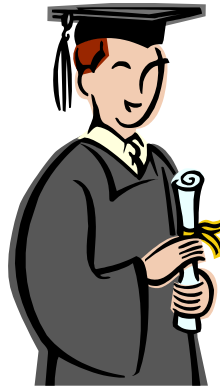

- 4 years
- \$30,452 (public, in-state)
- \$109,060 (private)

The 5-6 year plan

- 5-6 years
- \$30,000-\$125,000+
- 2-year and 4-year colleges

CSIT-In-3

- 3 years
- \$2,826 at Hartnell
- \$8,955 at CSUMB
- Total = \$11,781

Value of CS Degree

- Computer science professionals are relevant and critical to almost every field
 - Health and medicine, education, film, business, biology, travel, military, finance, etc.
- There are more CS jobs than qualified graduates in this country
- Average starting salaries for computer science graduates in 2011 was \$63,017

About the Program

- Three-year pathway
- Graduates earn a BS in CSIT (same as 4-year)
- Courses at Hartnell first 1.5 years, at CSUMB second 1.5 years
- Cohort-based learning community
- Access to special services like tutoring, field trips, internships, priority registration, scholarship application support

How to Participate

- Interested students should contact us:
 - Interest Form: csitin3.hartnell.edu -> click *Contact* button -> Complete the contact form at bottom
 - Email: csitin3@hartnell.edu with questions
- In general, the steps are:
 1. Apply to Hartnell
 2. Complete the CSIT-In-3 registration form
 3. Meet with a CSIT-In-3 advisor for review and approval

Target Candidates

- Motivated and hard working
- Interest in and aptitude for problem solving, math and computer science
- In general:
 - 3.0 GPA or higher in high school
 - Completed algebra I & II, geometry, and preferably pre-calculus

Connecting with Students

- First step - Classroom visits
- Evening information sessions for interested students in Nov, Dec, Jan
- Open houses in spring

Marine Science

Dr. James Lindholm

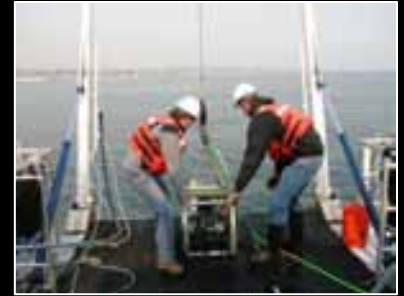

James W. Rote Distinguished Professor

Division of Science and Environmental Policy

Director, Institute for Applied Marine Ecology

CALIFORNIA STATE UNIVERSITY
Monterey Bay

Marine Science

CSU Monterey Bay

What is Marine Science?

It is *not* marine biology.

The interdisciplinary study of the marine environment, with emphases on:

The use of state-of-the-art technologies to collect and analyze scientific data

The application of the resultant information directly to management and policy-making

Why study Marine Science?

Students receive training in: **Research Diving**

Basic Open Water

Adv SCUBA Rescue

NAUI Master Diver

Scientific Diving
Techniques

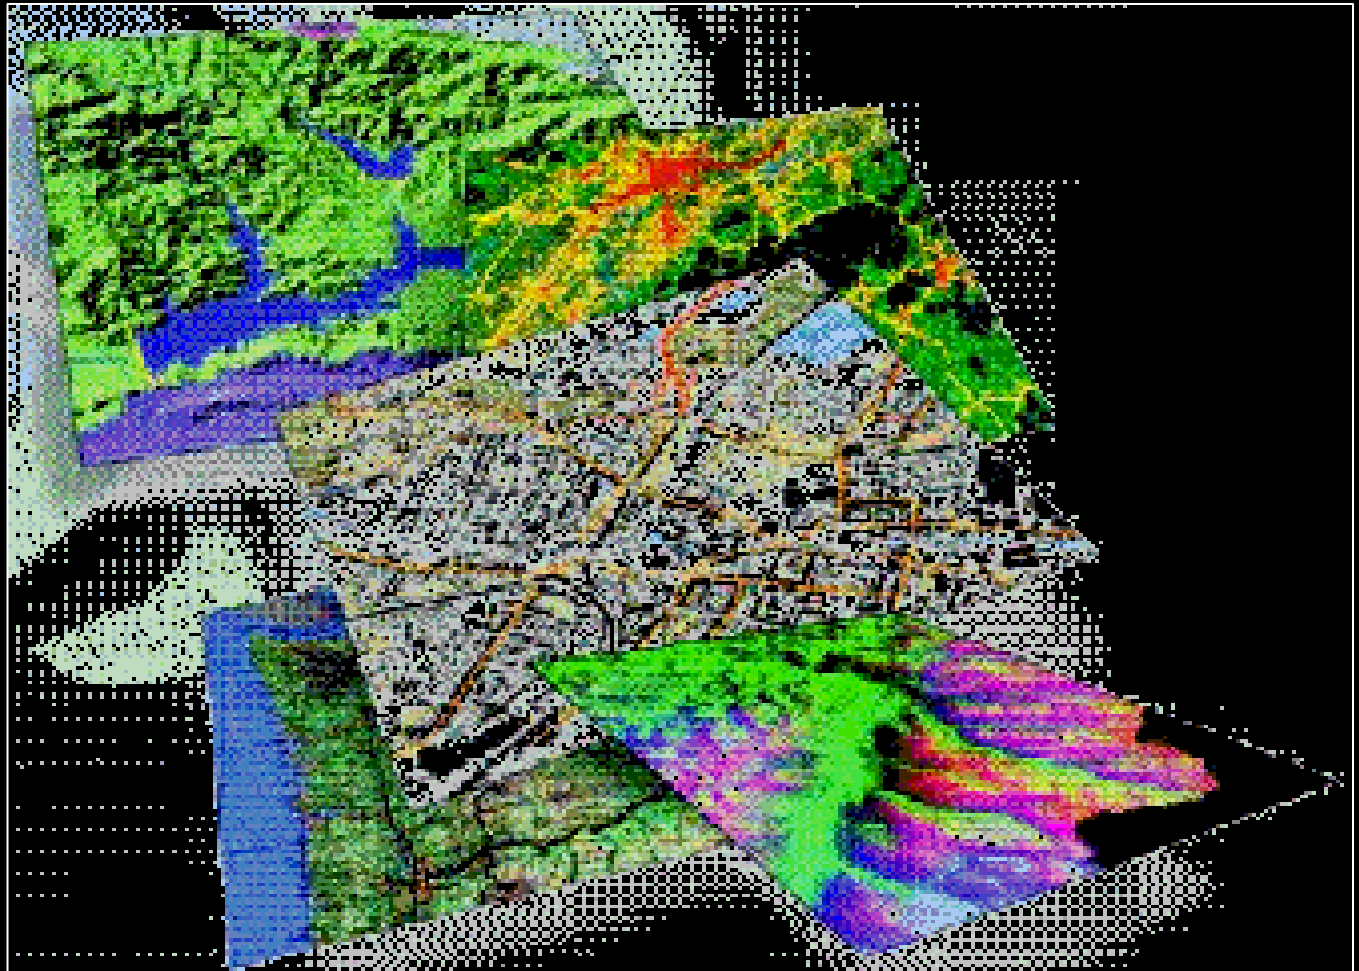

Why study Marine Science?

Students receive training in: **Advanced GIS**

Basic GIS

Advanced
GIS
Modeling

Why study Marine Science?

Students receive training in:

Science
Communication

Why study Marine Science?

Students receive training in: Seafloor Mapping

Why study Marine Science?

Students receive training in: Remote Sensing

Why study Marine Science?

Students receive training in: **Marine Electronics**

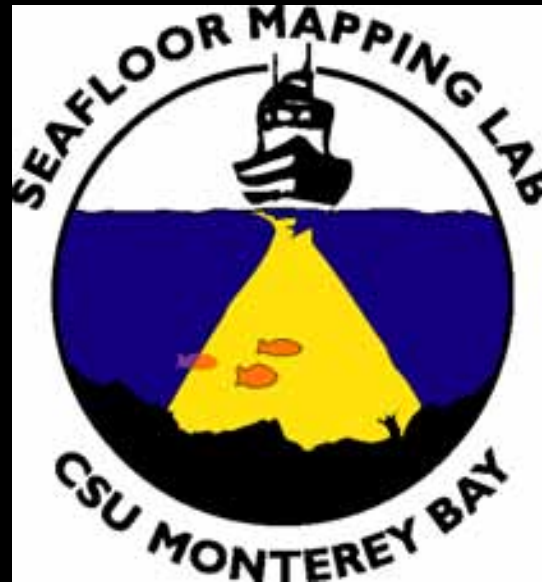

Why study at CSUMB?

The Marine Science program at CSUMB *requires* that all students apply their research to management and decision-making

No other programs *require* this application.

Why study at CSUMB?

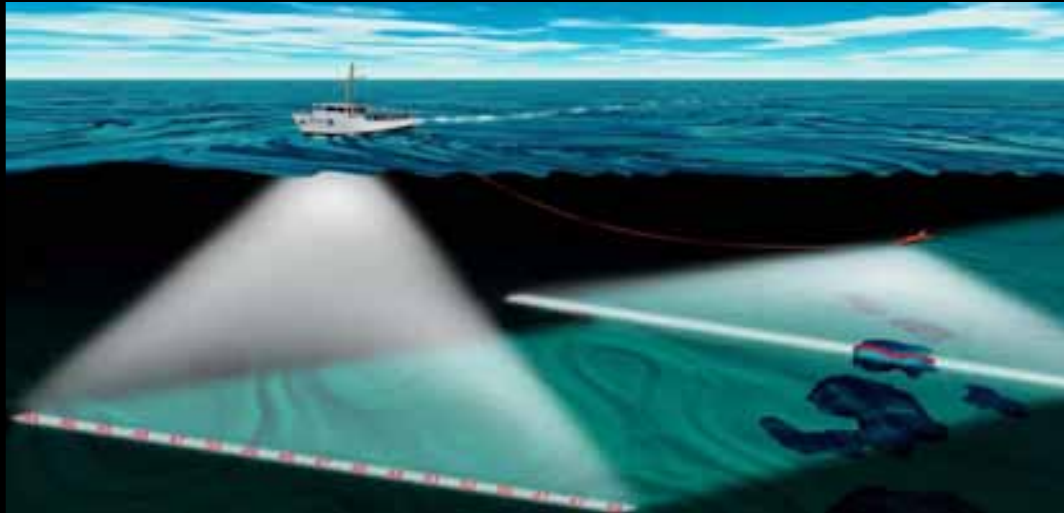

Institutes and Centers employ student researchers in the the application of state-of-the-art technologies to address the pressing needs of the state, the nation, and the world.

Why study at CSUMB?

Mapping the entirety
of California's state
waters

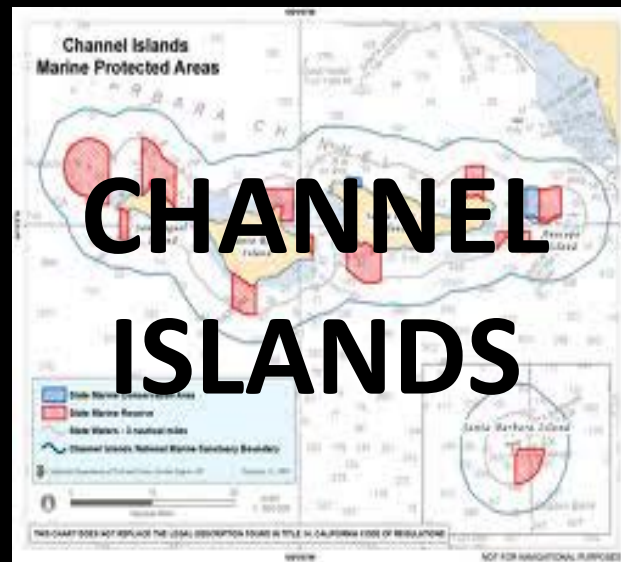

Sonar

Why study at CSUMB?

Baseline Characterization
and Monitoring of
California's new
Marine Protected Areas

Why study at CSUMB?

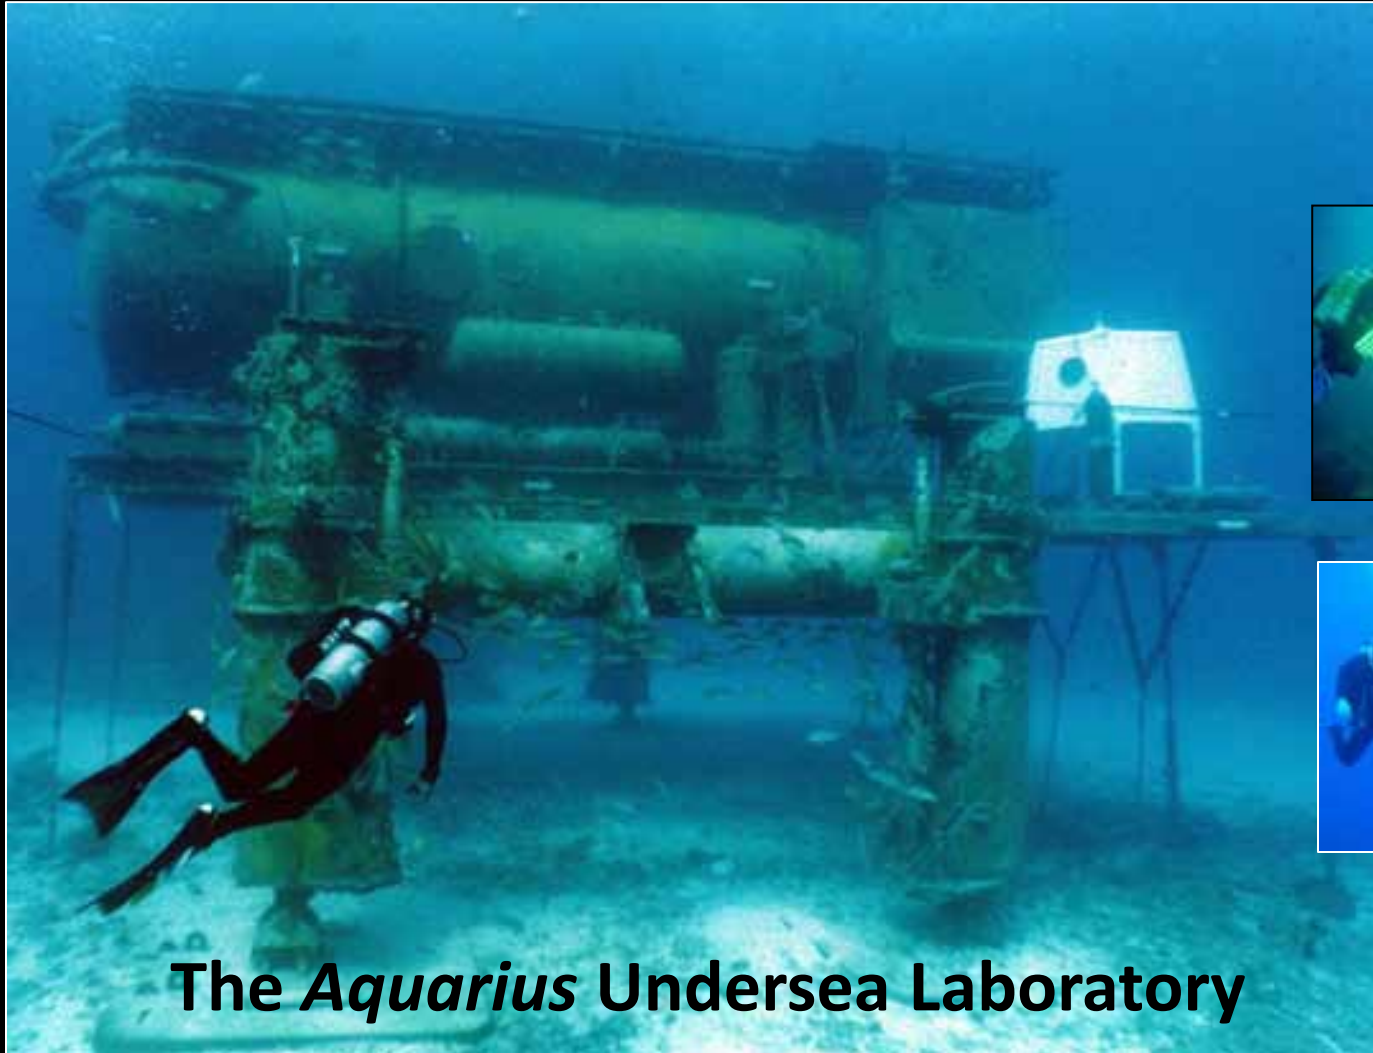

Maverick's...

... we've surfed it twice!

More reasons to stay at CSUMB

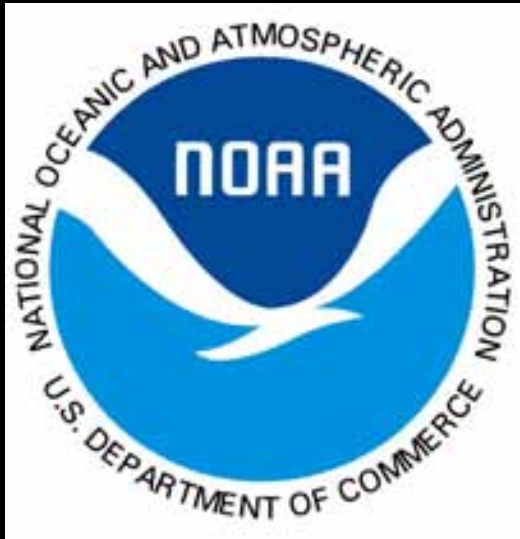

...and we also work in warm places!

The *Aquarius* Undersea Laboratory

Where do our graduates go?

...and graduate schools around the country.

EDUCATIONAL OPPORTUNITY PROGRAM EOP

Who May Apply?

- Historically underserved (low-income and first-generation college) undergraduate students who demonstrate academic potential and motivation and would benefit from academic support services to succeed in college
- California residents who meet the low-income guidelines

Who May Apply?

EOP applicants must meet the low-income guidelines listed in the table below:

DEPENDENT STUDENTS

FAMILY SIZE	MAXIMUM TOTAL PARENTAL INCOME
2	\$35,200
3	\$39,400
4	\$45,600
5	\$51,500
6	\$58,200
7	\$63,200
8	\$68,200

INDEPENDENT STUDENTS*

FAMILY SIZE	MAXIMUM TOTAL STUDENT/SPOUSE INCOME
Single, No Dependents	\$15,000
Married, No Dependents Other Than Spouse	\$26,200
<i>*For independent students with dependents other than, or in addition to, a spouse use the income for the appropriate family size in the Dependent Students category. Refer to the EOP application for further income details.</i>	

What does EOP do for Students?

- Provides orientation sessions to help students learn about campus services and programs
- Provides transitional support such as the Transfer Transition Sessions, Summer Bridge Program and Bridge Seminar
- Provides advising services
- Awards EOP grant to eligible students
- CSUMB campus offer programs for Foster (former) youth or SSS-TRiO programs

Applying to EOP

Students must complete and submit an application for Undergraduate Admission to the campus *before* applying to the EOP program for that campus.

Application to the Educational Opportunity Program includes:

- 1) Completed Undergraduate Admission application to the campus
- 2) Completed EOP application with:
 - ✓ Applicant Information forms
 - ✓ Two Recommendation forms

Apply Online

- **Undergraduate Admission Applications** – Apply online (i.e., Graduating High School entering as First-Time Freshman, Transfer from Community College)
Click here to view help tutorial for the online application
- **Graduate Admission Applications** – Apply online (For Master's, Postbaccalaureate, Doctorate, Credential and Certificate Programs)
- **International Admission Applications (Undergraduate and Graduate)** – Apply online
- **Application Filing Status Report** – Find out which campuses are accepting applications
- **ACT Scores Manager** – Release eligible ACT scores to CSU campuses
- **FAFSA on the Web** – Transfer your information to the FAFSA
- **CalStateTEACH Application** – Online Teacher Credential Program
- **Educational Opportunity Program (EOP)** – California Residents Only – Apply online! Note: You MUST submit an undergraduate application BEFORE you can apply for EOP.

What Makes CSUMB's EOP Different?

- Advisors have small case loads. 35-40 students.
- ALL of our incoming First Time Freshman experience Summer Bridge.
- Our First Time Freshman all have classes together their first year.
- We serve just a little over 500 students total in our Educational Opportunity Program at CSUMB

Applying to EOP

Other Important Information

When is the EOP Application Deadline?

This is campus specific, however please encourage your students to consider the EOP application a part of the Undergraduate Admissions process and complete it immediately after submitting the Admissions Application.

EOP deadline at CSU Monterey Bay is January 15th, 2013

When Can a Student Apply for EOP?

Students need to apply and be accepted into EOP the same semester they apply and are accepted for Undergraduate Admissions.

Are EOPS students at CCC's automatically admitted to EOP?

No, EOPS students need to complete the EOP application to be considered.

Applying to CSUMB as an International Student

admissions.csumb.edu/international-students

FIRST-YEAR FRESHMAN

- Send in transcripts from all schools attended. Be sure to get an English translation if they are not in English.
- Achieve a minimum 2.4 grade-point average at your high school
- If you are attending a high school in the United States, or a high school using the American curriculum, please take the SAT or ACT.

TRANSFER STUDENTS

- As above, send transcripts from all universities attended. Get an English translation if your documents are not in English.
- Complete at least 60 transferable semester units (or 90 quarter units) with a minimum 2.4 grade point average.
- You will want to complete the following 4 courses if you are coming from a community college or university in the USA: Speech communication, English Composition, Critical Thinking, and College-Level Math (above intermediate algebra).

SEMESTER@CSUMB

- The Semester@CSUMB program is intended for students who wish to come to CSUMB for up to two semesters, or need extra time to complete their paperwork before being admitted to the University.
