

WELCOME TO CSU MONTEREY BAY!

OPEN HOUSE – OCTOBER 15, 2011

Thank you for coming to visit our beautiful campus. We're psyched that you're here. There is a lot going on today and you'll get to choose what sessions will be most interesting and helpful to you. You might sit in on an academic presentation to learn more about the majors, take a tour, visit the residence halls, or learn about clubs and activities. Make the day your own and don't hesitate to ask if you need any assistance!

CSUMB GIVES YOU AN EDGE AND IS A GREAT COLLEGE EXPERIENCE. HERE'S WHY:

- **Undergraduate research:** You perform hands-on research with dedicated faculty mentors in a variety of disciplines. Many students participate in research projects and internships nationwide. Employers and grad schools value this experience.
- **Service learning:** Every CSUMB graduate must complete at least 60 hours of community service related to their major. You get a lot in return: enhanced resumes, practice applying your skills and experience networking in the community.
- **Learning community:** Many professors will know you on a first name basis. Our residential campus is personal and tightly-knit.
- **Location:** We're next to some of the best beaches in California. Mountain bike and hiking trails surround our campus. Santa Cruz and Monterey are nearby. Plenty of adventurous and fun experiences await.
