

Fall 2011 Counselor Conference Welcome!

Admissions Update: David Linnevers, Director of Admissions

The CSU with an Ocean View

Most popular majors

Business

Biology

Psychology

Kinesiology

Average class size 23

90% of all undergraduate courses have fewer than 40 students

60% of all undergraduates live in campus housing

New Programs: **Environmental Studies**
Marine Science

Japanese
Spanish
Nursing - Summer 2012

Fall 2011 Enrollment

Total Student Body	5,173
---------------------------	-------

Geographic Region

Monterey County	25%
San Benito County	2%
Santa Cruz County	7%
Northern California	20%
Central California	17%
Southern California	26%
Non-Residents	3%

Admissions Criteria-Fall 2012

Filing period: October 1-November 30

CSU baseline eligibility requirements

No Local Admissions Area

Enrollment Controls:

Document Deadlines (transcripts, test scores, etc)

Enrollment Confirmation Deadline

Eligibility met by end of spring semester - **NO SUMMER WORK**

Golden 4 – “C” or better by end of spring - **NO SUMMER WORK**

EPT/ELM test score submission deadlines

Mandatory Orientation

MyCSUMB

IMPORTANT!

- ~ All students are responsible for monitoring their application progress and “To Do” list through their MyCSUMB dashboard.
- ~ Username and Password sent out upon receipt of application via letter and email
- ~ MY.CSUMB updates each hour 24/7
 - ▶ App status
 - ▶ “To Do” list
 - ▶ Deadlines
 - ▶ Important Reminders

Important Deadlines & Dates

- ~ Official Transcripts Required for FTF **December 15, 2011**
- ~ Official Transcripts Required Transfer **December 15, 2011**
- ~ Official SAT/ACT Test Scores **January 31, 2012**
- ~ Conditional Admission Notification **Feb-March 2012**
- ~ Eligibility Check Confirmation is Received **Feb-June 2012**
- ~ Enrollment Confirmation (\$100 non-refundable) **May 1, 2012**
- ~ EPT/ELM Tests Completed **May 5, 2012**
- ~ Final Transcript Submission **July 8, 2012**
- ~ Final Eligibility Check **July – August**
- ~ Early Start Completion **August 6, 2012**

Early Assessment Program

Aimee Sanchez-Toral

Early Assessment Program Coordinator

To receive EAP results students must complete ALL sections of test

- ~ CST in English and/or mathematics (Algebra 2 or Summative High School Mathematics as appropriate)
- ~ EAP 15 multiple-choice items in English and/or mathematics
 - ~ Administered with the CST
 - ~ Untimed
- ~ EAP essay in English (45 minutes to complete)
- ~ **EAP essay administration**
 - ~ March 6 - 31, 2012

Test Determinations (New Wording)

- ~ *“Ready for CSU or Participating CCC College-level English” or mathematics*
- ~ *“Not yet demonstrating readiness for CSU or Participating CCC College-level English” or mathematics*

Early Assessment Program (EAP)

EAP statuses are provided by CSU and California Community Colleges (CCC). Explanation of the statuses can be found at www.collegeEAP.org.

English Status: Not yet demonstrating readiness for CSU or participating CCC college-level English courses

Mathematics Status: Ready for CSU or participating CCC college-level mathematics courses

Releasing Test Results

- ~ **Students should be encouraged to release their scores to the CSU and the CA Community Colleges**
 - ~ Students need to grid bubble on their answer sheet to release their scores.
 - ~ Doing so allows them to retrieve their scores online and ensures that CSU/CCC admission offices receive their scores after they are admitted.
 - ~ The EAP is voluntary and does not affect admission to the CSU.

Fill in the bubble...

IMPORTANT: By filling in the bubble below, I acknowledge that I am voluntarily answering questions that are designed to be used by the California State University system to determine my eligibility for exemption from the English Placement Test (EPT). I further allow the results of this assessment to be shared with appropriate CSU officials as well as authorized officials at postsecondary institutions to which I have applied. If this bubble is NOT filled in, I understand that my results will NOT be shared with the CSU system or other postsecondary institutions, even if I complete the questions.

- ~ Students can access their EAP results online (if the student filled the bubble on the score sheet) at www.collegeEAP.org

STAR Student Report

~ Students will receive their EAP results along with their California Standards Testing Results (STAR Student Report). The report will be mailed to them in late August of 2012.

STAR Student Report																																																							
USING ASSESSMENT TO HELP STUDENTS LEARN																																																							
<p>Dear Parent/Guardian,</p> <p>Each year, California's Standardized Testing and Reporting (STAR) Program measures your child's progress in meeting California's content standards, which describe what all students should know and be able to do at each grade level.</p> <p>This report shows your child's scores on the California Standards Tests and, if your child is taking a grade 3 or 7 test, scores on the California Achievement Tests, Sixth Edition Survey (CAT/6 Survey).</p> <p>Sincerely,</p> <p><i>Jack O'Connell</i> JACK O'CONNELL, STATE SUPERINTENDENT OF PUBLIC INSTRUCTION</p>			<p>STUDENT #: 0000032291 DATE OF BIRTH: 2/12/88 GRADE: 10 TEST DATE: Spring 2006</p>																																																				
<p>FOR THE PARENT/GUARDIAN OF: BIANCA SMITH 123 Main Street Los Angeles, CA 90210</p>																																																							
<p>SCHOOL: JOHNSON High School DISTRICT: LANGEBOG unified</p>																																																							
<h2>Your child's overall results on the California Standards Tests</h2>																																																							
<p>Your child's scores and performance levels</p>

<p>Find complete STAR results at http://star.cde.ca.gov and your school's Accountability Report Card (SARC) at www.cde.ca.gov/ta/ac/sa or ask for a copy of the SARC at your child's school</p>																																																							
<h2>How should I use these STAR Program results?</h2>																																																							
<p>These results are one of several tools used to follow your child's educational progress. While they provide an important measure, they should be viewed with other available information about your child's achievement, such as classroom tests, assignments, and grades.</p>			<p>These results are also intended to help ensure your child is getting the best possible education. If your child is not performing at the level you would like, these results can help guide a conversation with your child's teacher in order to help focus on specific areas for improvement.</p>																																																				

Duplicate Student Reports

- ~ Students may email requests for paper copies of reports to EAPDups@ets.org
- ~ Requests must include the following information
 - ~ Full name
 - ~ Date of birth
 - ~ High school name and address
 - ~ Year student attended 11th grade

Note: EAP results are only valid for the year following high school graduation. EAP Coordinators do not have access to EAP Scores.

EAP Test Results

EAP aggregate data available online by:

- ~ **State**
- ~ **County**
- ~ **School District**
- ~ **School**

Math and English Success Websites

www.csumathsuccess.org

www.csuenglishsuccess.org

The screenshot shows the homepage of the California State University English Success website. At the top, there is a green header with the text "California State University" and "English Success" with a logo. Below the header is a navigation bar with links: Home, My Roadmap, Exam Prep, Students, Parents/Padres, Counselors, and Teachers. A search bar is also present. The main content area features a large graphic with a traffic light and a sign that says "Drive on... Your Custom Roadmap will show the way." with a loading progress bar at 39%. To the right of this graphic are several circular icons with text: "EAP" (Find out your EAP Status), "12th Graders" (Get Ready for College with the EAP), "11th Graders" (Get Ready for College with the EAP), "10th Graders" (Prepare Now for the CSU), and "Teachers" (Learn about online practice EPT essay assignments). At the bottom, there are three sections: "Prepare" (Find out what things you can begin doing right now to help you pass the EPT exam. [more](#)), "Watch" (Listen to some CSU freshmen talk about preparing for the EPT Exam and what happened to them when they didn't pass it. [more](#)), and "Learn" (The EAP measures your English skills toward the end of 11th grade to let you know in advance if you're ready for college English. [more](#)).

- Free, customized information and tools for students, teachers, and counselors
- Checklists and guidance tips for parents (English and Spanish)
- Personalized roadmaps with step by step advice and e-mail reminders
- Student testimonial videos
- Online learning tools

EAP Conditionally-Exempt Students

- ~ Students who are conditionally ready in math, but did not register for a 12th grade math course, can use this option.
- ~ If they do not take a 4th year math course, or ALEX the student will be required to take the ELM.
- ~ If the student does not pass the ELM, they will need to participate in Early Start.

EAP Junior Portal

11th Grade Students

Jump Start your way to a college degree with the EAP

- ▶ See how prepared you are for the CSU
- ▶ Skip CSU placement tests in math & English
- ▶ Avoid remedial college courses

Hear the Benefits of the EAP

I can actually do something about it my senior year and prepare myself for college.

Stay Informed

The CSU Early Assessment Program (EAP) is designed to let you know if you are prepared for college math and English.

Complete the form below and we will e-mail you when your EAP test results are ready.

First Name

Last Name

E-mail Address

- ~ Peer-delivered EAP advising
- ~ Timely motivational video
- ~ Spring participation reminder (email)
- ~ Score availability notification (email)

CCC Community College Information

CCC CO EAP Homepage

<http://www.cccco.edu/eap>

CCC CO List of Participating Schools

See above website and go directly to the link

Early Start Program

- ~ The CSU system recently enacted a policy known as "Early Start" requiring incoming students who do not demonstrate readiness for college-level math and/or English to begin remediation during the summer before coming to the CSU.
- ~ The goals of Early Start are to better prepare students in math and English before their first semester, thereby improving their chances of completing a college degree.
- ~ Early Start is required for incoming students who have not fulfilled the Entry Level Math and/or English Placement Test proficiency requirements

Early Start Program

- ~ The program takes place the summer before the freshman year, beginning summer 2012.
- ~ Upon Admission, the CSU campuses will inform students how and where to sign up for Early Start.
- ~ Early Start math and English courses will be available at every CSU campus, at a few community colleges, and online.

Early Start Program

- ~ Students may fulfill their Early Start requirements by taking courses at community colleges any time before the fall term or by taking special courses pre-arranged with a CSU campus at a high school.
- ~ Work completed at CCCs will be accepted as fulfilling the Early Start requirement at any CSU campus; work completed at high schools will be acceptable only at the partner CSU campuses.

Early Start Program

- ~ All students will be assessed a fee of \$ 182.00 per unit.
- ~ Financial Aid Support will be determined by destination campus for students who qualify for CalGrant or SUG. Those who qualify will be eligible for an Early Start Program Fee Waiver.

Frederick Park Apartments: East Campus

Eligible students:

- Students with families
- Graduate students
- Senior class-level students
- 21 years of age and older

Features:

- Two-bedroom
- One-bath
- Unfurnished apartments
- Comfortable accommodations
- Convenient commute to classes and campus activities

Getting Involved

Student Housing & Residential Life

- ~ Resident Advisors
- ~ Area Councils
- ~ Residence Hall Association
- ~ Regional and National Affiliation

Getting Involved Helps Students

- ~ Have fun
- ~ Meet new friends
- ~ Plan and attend rewarding events & activities
- ~ Develop leadership skills
- ~ Learn and grow outside the classroom
- ~ Perform better academically
- ~ Get a job and develop career skills

Student Activities & Leadership Development

- ~ Orientation & Welcome Programs
- ~ Associated Students
- ~ Otter Student Union
- ~ Student Clubs

Science-Related Majors

- **Biology**
- **Marine Science (new)**
- **Environmental Science, Technology & Policy**
- **Environmental Studies (new)**

sep.csUMB.edu

B.S. in BIOLOGY

Three “concentrations”:

- General Biology
- Pre-Medical
- Teacher Preparation

B.S. in Environmental Science, Technology, and Policy

~ ***Applied Ecology***

- ~ Field ecology &
Ecological Modeling

~ ***Natural Resources***

- ~ Water quality, Soils,
& Environmental Policy

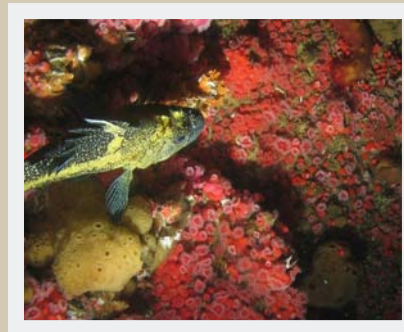

~ ***Watershed Systems***

- ~ Stream Restoration,
Riparian habitat protection

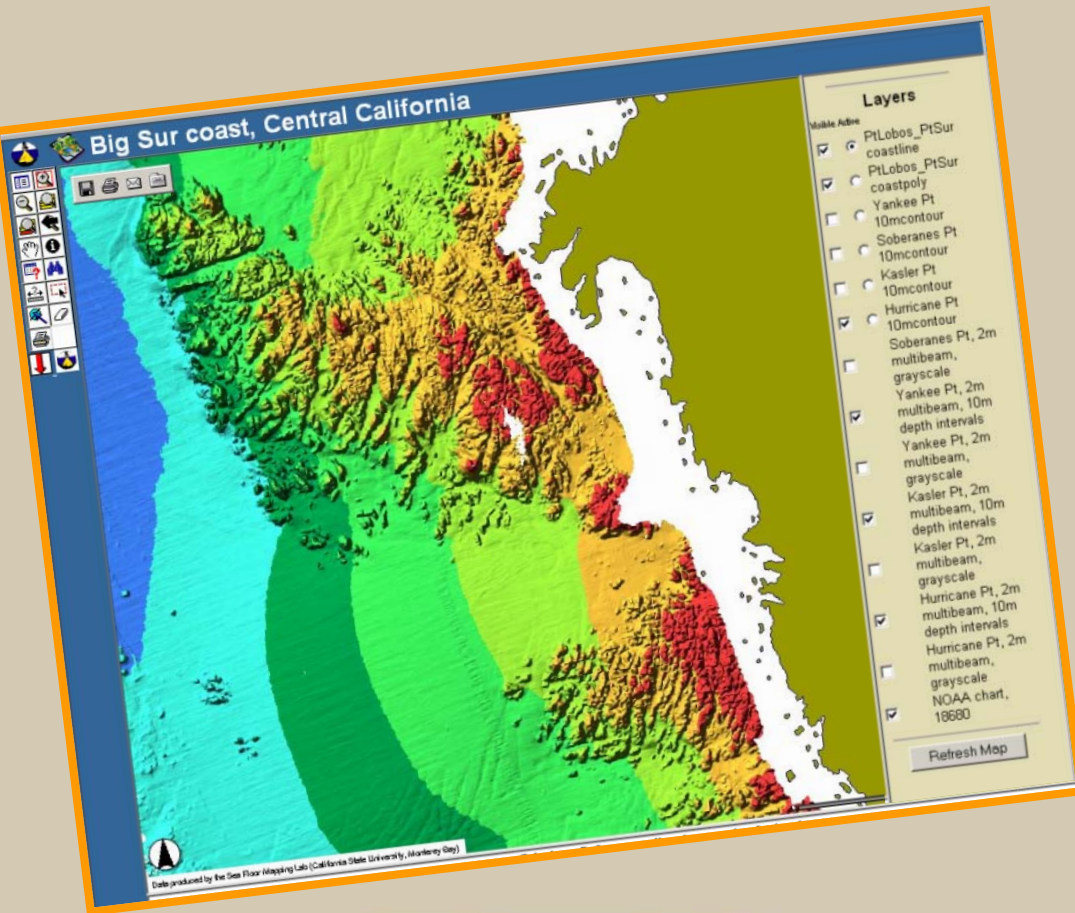

Marine Science CSU Monterey Bay

B.S. in Marine Science

Program Focus:

- ~ Marine ecosystems
- ~ Apply marine technology to protect marine resources
- ~ Emphasis on employable skills

What if I'm interested in Marine Biology?

General Biology Concentration

- ~ Focus on marine *organisms*, *not ecosystems*
- ~ Preparation for Marine Biology graduate school

Marine Science Major

- ~ Applied marine science
- ~ Marine organisms *as parts of ecosystems*
- ~ Marine habitat protection & resource management

B.A. in Environmental Studies

~ ***Environmental Education:***

- ~ Outdoor/environmental education

~ ***Science for Sustainable Communities***

- ~ Pre-law, environmental policy

- ~ Advocacy for social & environmental justice

Required Courses 1st two years:

All four majors:

Chemistry, Biology, Pre-Calculus, Statistics

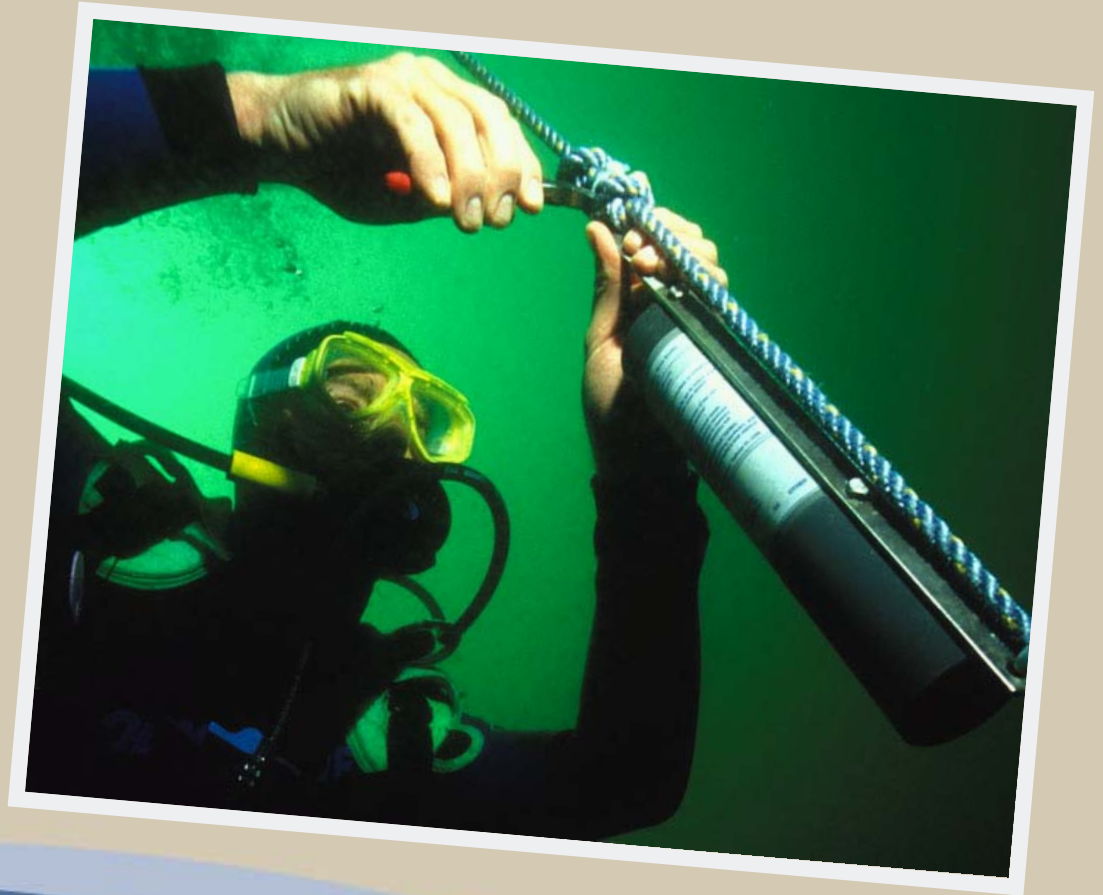

Marine Science, Environmental Science, and Biology:

Require more chemistry, physics, and
calculus 1st two years

Environmental Studies

Requires less chemistry, no calculus;
more social science classes

Scientific Diving Program
